Today's take-away

"The Lord is with you, mighty warrior."
Strange words to say to a man cowering in a wine press. But that's what God said to Gideon. And more than that, God said, *"Go in the strength you have and save Israel"* Hard as it is to believe, Gideon already had the strength to save Israel

within him. He needed to trust God and discover his own inner strength. We can often feel like we are not good enough, like we can't live up to the kind of people God wants us to be. But we already have the strength within us. Transformation isn't about changing us into different people, but about bringing out the best in us.
